PROFILE

dynamic and creative front-end developer, graduate from a Bootcamp -strive school-, building software was my passion since a young age, and this field has never disappointed me because I love how every day you learn something new.

EMPLOYMENT HISTORY

- ❖ freelance converting PSD to HTML Jun 2021 — Present
- ❖ rider, Glovo Aug 2020
ferrara

EDUCATION

- ❖ strive school Feb 2021 — Sep 2021
software developer Berlin

i have had a great time with this Bootcamp and its wonderful community and professors, we've built many projects and met people that inspired me although tough times learning new topics we've always managed to make the best of those moments.
